To Whom It May Concern:

I am writing this letter of recommendation for the N2 Class at AppleSeed Almaden Montessori School. My 20 month old daughter has been attending the Toddler Program at AppleSeed for 4 months now. She was previously attending a day care program in Willow Glen. Since attending AppleSeed, I have seen so much growth in her, and I can attribute that to the great teachers in the N2 class: Miss Valerie and Miss Deanna. The short time that my daughter has been in their class, she has learned so much. I like the Montessori style of education since it teaches kids to be independent and gives the kids a range of activities to do. Also, I like the mixed aged class rooms, since it gives my daughter a chance to interact with kids her age and a little older.

In addition, the class rooms are very clean and well organized. As a parent of a small child, the most important thing is to feel safe about your child's environment, and so far I feel comfortable about AppleSeed. It also helps a lot to see that my daughter likes her teachers very much.

Sincerely,
Cristina P.
